MEMORANDUM FOR FILE

A person describing himself as a Mr. Dix called on the phone today and said that he had been referred to me by Mr. Braden's office, in connection with the matter of Germans from Central America. I told Mr. Dix that the reference must have been a mistake since I did not work for Mr. Braden and that I had nothing to do with the subject. I said that Mr. Clattenburg, I understood, was in charge of the subject. He said that he knew that but was trying to get hold of Mr. Braden and that Mr. Braden's secretary told him that Mr. Braden was leaving and that he should call me. I returned the call to Mr. Braden's office but first, on another phone, told Mrs. Fox that this man, Dix, was well-known, and that I did not want to have anything to do with him, and that she should refer him to Mr. Clattenburg, saying that she was in error referring him to me.
